

Presents....

Extended Learning-an opportunity for your preschooler to enrich their learning experience through literacy-based hands-on activities, experiments, dramatic play, art projects, music, and recreation. Your child's morning teacher will bring your child to their afternoon session. We will have lunch (each child will bring their own lunch), and then break into our fun enrichment activities.

Sessions are offered on Monday, Tuesday, Wednesday, Thursday, and Friday for students enrolled in a 3s, Pre K, or Pre K 2 morning class. Students **MUST** be completely potty trained. You may choose for your child to attend one, two, three, or four afternoon sessions a week. Each session costs \$50.00 per month per day.
